STATEMENT OF SUBSTANCE OF THE INTERVIEW

Dear Sir:

This interview summary is in response to a telephone interview between Examiner Andrew Rudy and applicant's representative, David Grillo. Applicant's representative thanks the Examiner for the courtesies extended during the telephonic interview on August 3, 2005. The Examiner was contacted to request clarification with respect to the Advisory Action issued as it was not indicated whether the proposed amendments were entered. The Examiner stated that he forgot to check off box 3(a) indicating that the amendments would
